## TARIFF 05

### **BACKGROUND MUSIC – AIRCRAFT**

Tariff for the communicating to the public of sound recordings

Effective from: 1 January 2019 to 31 December 2019.

1. The communicating of sound recordings to the public is a restricted act in terms of the South African Copyright Act and requires a licence from SAMPRA for the use of sound recordings in its **repertoire**. This document sets out SAMPRA's tariff for the communicating to the public of sound recordings in **Aircraft**.
2. This tariff is subject to SAMPRA's "General Terms and Conditions for Communicating Sound Recordings to the Public Licences", a copy of which can be accessed on SAMPRA's website or obtained by contacting SAMPRA.
3. This tariff applies to the communicating to the public of sound recordings in aircraft as **background music**. There are specific types of communicating sound recordings to the public that SAMPRA does not classify as **background music** and which are licensed under separate tariffs. Apart from these exceptions, all other types of public performance are classified as **background music**.
4. Penalty Clause – You should obtain your SAMPRA licence before you can publicly communicate sound recordings. If you continue with the communicating to the public without first obtaining or renewing your licence, a surcharge can be added to this tariff. This is designed to act as a deterrent to unlicensed communications to the public of sound recordings.

5. Fees:

R 50.34 per seat per annum (exclusive of VAT).

Subject to a minimum fee of R 449.41 (exclusive of VAT) per aircraft per annum.

6. Explanatory Notes:

In order to issue an accurate licence, we need you to specify the number of aircraft in your fleet, as well as the seating capacity of each aircraft.

7. DEFINITIONS:

**"Background Music"**. The playing of recorded music to create an atmosphere or ambience that is not a special feature of, or essential to, the main event or is not essential to the operation of the premises.

**"Repertoire"** means the collection of copyright sound recordings owned or controlled by members of SAMPRA from time to time.
