

TARIFF 08: BACKGROUND MUSIC – AEROBICS, SPINNING & FITNESS CLASSES

Tariff for the communicating to the public of sound recordings

Effective from: 01 January 2023 to 31 December 2023.

1. The communicating of sound recordings to the public is a restricted act in terms of the South African Copyright Act (Act 98 of 1978, as amended) and Performers Protection Act (11 of 1967, as amended) and requires a licence from SAMPRA for the use of sound recordings in its **repertoire**. This document sets out SAMPRA's tariff for the communicating to the public of sound recordings in **AEROBICS, SPINNING, KEEP FIT, SLIMMING, AQUAEROBICS, PILATES AND ALL SIMILAR MOVEMENT TO DANCE AND EXERCISE CLASSES**.
2. This tariff is subject to SAMPRA's "General Terms and Conditions for Communicating Sound Recordings to the Public Licences", a copy of which can be accessed on SAMPRA's website (<http://www.sampra.org.za>) or obtained by contacting SAMPRA (see contact details here above).
3. This tariff applies to the communicating to the public of sound recordings in aerobics, spinning, keep fit, slimming, aquaerobics, pilates and all similar movement to dance and exercise classes as **background music**. There are specific types of communicating sound recordings to the public that SAMPRA does not classify as **background music** and which are licensed under separate tariffs.
4. Penalty Clause – A SAMPRA licence should be obtained before sound recordings are publicly communicated. Should sound recordings be communicated to the public without first obtaining or renewing a licence, a surcharge can be added to this tariff. This is designed to act as a deterrent to unlicensed communications to the public of sound recordings.
5. Fees:

R752.99 for 01 – 64 classes per annum.

Fee of R11.82 for every additional class per annum.

VAT will be added to the fee at the current rate.
6. Explanatory Notes:

The number of classes that are taught every week as well as the number of weeks per annum that teaching takes place must be stated.
7. Definitions:

“**Background Music**” means the playing of recorded music to create an atmosphere or ambience that is not a special feature of, or essential to, the main event or is not essential to the operation of the premises.

“**Repertoire**” means the collection of copyright sound recordings owned or controlled by members of SAMPRA from time to time.
